How to Get Durable Medical Equipment (DME) Through Vermont Medicaid

Follow these five steps.

Step 1: Assessment

Have an assessment with an evaluator.

Step 2: Prescription

The provider will send a prescription to the DME vendor.

Step 3: Prior Authorization

A clinical reviewer will decide if Medicaid will pay for the DME.

In order for Medicaid to pay, you must have a medical need for the equipment.

Step 4: Notice of Decision

Medicaid (DVHA) will tell you the decision by sending a letter called a Notice of Decision.

If you disagree with the decision you can appeal it. Call Medicaid Member Services at 1-800-250-8427.

Step 5: Get the DME

The DME vendor will give you the DME or order it for you.
